# THANKSGIVING'S
GREAT TURKEY HUNT

Thank you for choosing www.LearnNewGames.com!

There are 12 hidden turkeys.
How many can you find?

Included are two choices of the game to choose from.
Option 1: Print the letter and un-numbered turkeys, and cut the turkeys out on the dotted line. Hide turkeys. When all 12 are found, the person with the most turkeys win.

Option 2 (good for 2 teams): Print the letter and numbered turkeys (either or both turkeys), and cut the turkeys out on the dotted line. Hide turkeys. The first child or team to find all 12 turkeys win.
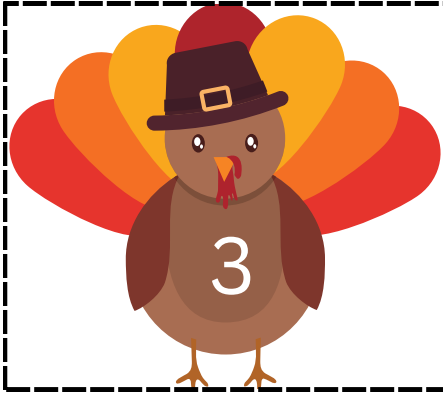

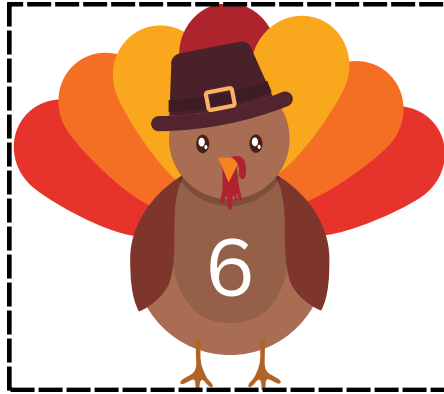

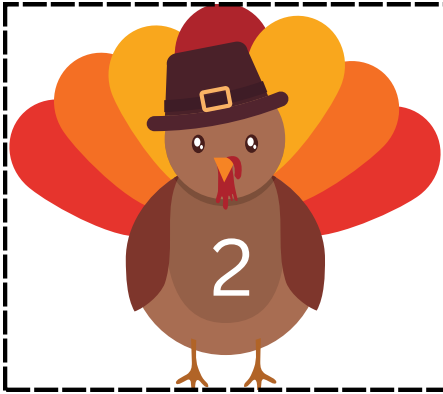

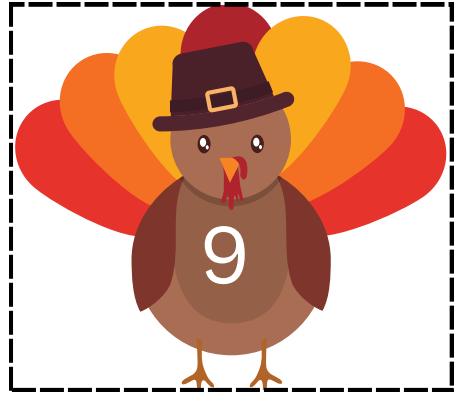

THANKSGIVING'S

GREAT TURKEY HUNT

The Thanksgiving turkeys are on the loose,

Flapping and clucking, there's no excuse!

Let's find these birds, it's time for cheer,

Twelve are hiding, somewhere near.

Search high and low, don't miss a spot,

In every nook, see what you've got.

Look up, look down, spin all around,

A prize awaits when all are found!
